

# ICE-PAK™ / 0°C ICE PACKS

Cryopak's renowned Ice-Pak™ brand is an economical and convenient way of keeping your temperature sensitive shipments within temperature range. Ice-Pak™ bottles are tough and reusable.

- **Non-toxic**
- **Reusable**
- **Multiple sizes available**

The Ice Pak™ brand is a premium line of gel products filled with water-based, non-toxic Perma-Gel. The gel has a freezing temperature of 0°C and is used to transport temperature-sensitive products safely and more efficiently than ice.

These thermal protection packs are constructed from durable HDPE plastic for superior performance in cold chain re-use applications. Water base gel ice packs are reusable and durable and come in a variety of sizes and shapes. Sizes range from 154g to 1588g. Multiple bottle size and type configurations are available.

Item Number	Description	Unit Dimension (L x W x H)	Unit Weight	Units Per Case
